IMPORTANT ANNOUNCEMENTS.

I. CURRER BELL (CHARLOTTE BRONTË). ON THE 27TH SEPTEMBER WILL BE PUBLISHED A NEW AND CHEAPER EDITION OF THE LIFE OF CHARLOTTE BRONTË, (CURRER BELL),

AUTHOR OF "JANE EYRE," "SHIRLEY," "VILLETTE," &c.,
BY MRS. GASKELL.

In One Handsome Volume, post 8vo., with Portrait and View of Haworth Parsonage.
PRICE 7s. 6d. CLOTH.

"A sister authoress, gifted herself with superior powers, has described with true womanly sympathy the whole course of the life which is closed for ever; and the record is a monument of courage and endurance, of suffering and triumph, which is not only a glory to the literary brotherhood, but a creditable testimony to the tendencies of human nature."—*Times*.

"Mrs. Gaskell's account of Charlotte Brontë and her family is one of the profoundest tragedies of modern life."—*Spectator*.

"If any one wishes to see how a woman possessed of the highest intellectual power can disregard every temptation which intellect throws in the way of women—how generously and nobly a human being can live under the pressure of accumulated misfortune—the record is at hand in the life of Charlotte Brontë. We may be sure that such a story does not lose anything of its pathos or its instructiveness when told by such a biographer as Mrs. Gaskell."—*Saturday Review*.

"Mrs. Gaskell has produced one of the best biographies of a woman by a woman which we can recall to mind."—*Athenæum*.

II. NEW AND REVISED EDITION OF THE PARENT'S CABINET OF AMUSEMENT AND INSTRUCTION.

PREPARING FOR PUBLICATION

In Shilling Volumes, (Post FREE) post 8vo., each complete in itself, and containing 128 pages, with a Frontispiece printed in Oil Colours, and numerous Woodcuts, in a handsome Illustrated Binding,

THE PARENT'S CABINET OF AMUSEMENT AND INSTRUCTION, FOR YOUNG PERSONS.

VOLUME TO BE ISSUED MONTHLY, AND THE WORK TO BE COMPLETED IN TWELVE VOLUMES.

VOLUME I. WILL BE PUBLISHED ON THE 1ST OF DECEMBER NEXT.

THE PARENT'S CABINET OF AMUSEMENT AND INSTRUCTION, which delighted the last generation of children, has for some years been out of print as a complete work; but, owing to discoveries and inventions in art and science, some of the matters have become obsolete.

The Publishers have been repeatedly urged to issue a New Edition of the Work; and believing, that as it charmed and instructed many thousands in past years, it would, if revised and re-modelled, delight and improve as many of the children of this present time, they have determined on re-issuing it in an entirely new form, with the matter carefully revised and improved, so as to bring it fully down to the present state of knowledge in each of the subjects treated of. The Editors have also added much new and original matter.

The contents of "The Parent's Cabinet" are so varied that an idea of their nature can best be conveyed by classifying them. They embrace—

Amusing Stories, all tending to the development of good qualities, and the avoidance of faults.

Biographical Accounts of Remarkable Characters, interesting to young people.

Simple Narratives of Historical Events, suited to the capacity of children.

Elucidations of Natural History, adapted to encourage habits of observation.

Familiar Explanations of Notable Scientific Discoveries and Mechanical Inventions.

Lively Accounts of the Geography, Inhabitants, and Productions of different Countries.

The new edition has been very carefully revised, rearranged, and will contain a large proportion of new matter. The scientific, mechanical, and geographical papers will include all the most recent discoveries and improvements, illustrated where desirable by wood engravings. The work will be printed in type easily legible, and on good paper; each volume containing a full page coloured illustration, printed in oil, and will be handsomely bound in ornamental boards.

The Publishers confidently anticipate that the present re-issue will, in all respects, more than sustain the reputation acquired by the former editions, and that it will find as large a circulation among the juvenile readers for whom it has been prepared.
